

Oakmont Waukesha

Welcome to Oakmont, a homesite community of uncommon distinction located on the prestigious western fringe of Waukesha. Here you will find a Town and Country setting, offering the best of both worlds with the advantages of the city in one direction and the picturesque countryside of Waukesha's farms and woodlands in the other. Oakmont has its own picturesque setting with a rolling terrain that features vista views in every direction. The unique topography of this community provides the opportunity for architectural creativity with almost two-thirds of the homesites offering the option of full or partially exposed lower level homes. Oakmont was designed with creative land planning utilizing quiet curvilinear streets and cul-de-sacs to retain the aesthetics and ambience of an old fashioned neighborhood.
