Welcome to The Cassatt, a 1,300+ sq. ft. alley-load home designed for comfort and efficiency. A spacious covered front porch invites you inside, where the open-concept great room and kitchen create a bright and welcoming space for gathering. Down the hallway to the left, you'll find the primary suite, complete with a private bath and walk-in closet. To the right, there's an additional bedroom and full bath. The rear foyer, featuring a convenient laundry area, leads directly to the attached two-car garage for easy access.
