**The Matisse** blends connected living with thoughtful everyday convenience. Step in from the covered front porch and you're welcomed into an open main living area that brings the kitchen, great room, and dinette together in one bright and inviting space. It's easy to cook, gather, and unwind all in one place.

The first-floor Primary Bedroom offers comfortable privacy just steps away from the main living areas. A rear foyer off the kitchen leads to the garage, located at the back of the home, keeping the front of the home clean and welcoming.

Upstairs, two additional bedrooms and a full bath create a separate retreat for family, guests, hobbies, or home office needs.
