From the moment you enter from the large front porch, this home is thoughtfully designed, offering an open-concept perfect for modern living. A versatile flex room with double doors provides the ideal space for an office or den. The inviting great room features a cozy fireplace and flows seamlessly into the kitchen, a chef's dream complete with range hood, butler's pantry and an oversized walk-in pantry, all open to a bright dinette area. Step outside to a green-treated deck overlooking the backyard—perfect for relaxing or entertaining. A 3-car garage adds convenience and ample storage. Upstairs, you'll find 3 bedrooms and a convenient second-floor laundry room. The expansive primary suite boasts cathedral ceilings, a large walk-in closet, and a private en suite bath with tiled shower and built-in bench. Daylight window in partially exposed basement for opportunity for future finished space. Sept. completion. Make this Tim O'Brien Homes energy-efficient, green-built healthy home yours!
