The Evergreen begins with a spacious Flex Room at the front of the home, giving you a comfortable area that can be used as a home office, playroom, or additional living space. Just past the Flex Room is a convenient Powder Room before the layout opens up to the main living area at the back of the home.

The Kitchen is designed with a walk-in pantry and a large island that provides extra seating and prep space. The Dinette connects the Kitchen to the Great Room, creating a natural flow for both everyday living and entertaining. The Rear Foyer, located near the stairs, includes a walk-in closet that helps keep coats, shoes, and everyday items organized.

Upstairs, the second floor offers three secondary bedrooms, a full Bathroom, and a centrally located Laundry Room that makes household chores easier. The Owner's Suite provides a comfortable retreat with two walk-in closets and a private bathroom.
