The Kendall is a split-bedroom ranch that stands out with its distinct Flex Room situated at the home's front. Its broad entryway directs attention towards the main living space. The Great Room serves as a gateway to the secondary bedrooms, which are conveniently separated by a full bathroom featuring a linen closet. The generous Dinette, located off the Kitchen, extends out the back of the home, providing a sunroom-like atmosphere. On the opposite side, a Rear Foyer with a pocket door leads to the Laundry Room. The spacious Primary Suite, a real showstopper, boasts two walk-in closets, an en suite bathroom, and scenic views to the backyard.
