Home Plan: The Juneberry

- 4 Bedrooms
- 2.5 Bathrooms
- 2,780 Sq. Ft.
- 3 Car Garage

This two-story home features an open-concept main floor designed for effortless entertaining and everyday living. The spacious kitchen includes a large island and walk-in pantry, flowing seamlessly into the dining area and great room. A rear foyer with built-in storage and a conveniently located powder room keeps daily routines organized and efficient. The flex room near the front entry offers the perfect space for a home office, playroom, or guest bedroom. Upstairs, The Juneberry continues to impress with a centrally located family room—ideal as a media room, homework zone, or cozy retreat. The private primary bedroom includes a walk-in closet and a dual-vanity bath for a relaxing escape. Three additional bedrooms, a second full bath, and a laundry room complete the upper level, providing comfort and convenience for every member of the household.
