Home Plan: The Mulberry

 4 Bedrooms

 2.5 Bathrooms

 2,264 Sq. Ft.

 3 Car Garage

The main level features an open-concept layout that brings everyone together. The kitchen sits at the heart of the home with a large island, plenty of countertop space, and direct views into the dinette and great room. Whether you're hosting or winding down, this space stays bright and welcoming.

A flex room at the front of the home offers a quiet spot for a home office, playroom, or additional lounge area. Off the garage entry, you'll find a convenient rear foyer with storage, plus a nearby powder room-keeping everyday routines easy and organized.

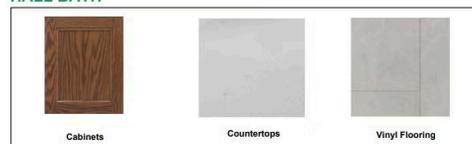

Upstairs, all four bedrooms are thoughtfully arranged for privacy and convenience. The spacious primary bedroom includes a walk-in closet and a private bath with a dual-sink vanity and walk-in shower. Three additional bedrooms share a centrally located hall bath, and the second-floor laundry room adds major day-to-day convenience.

With its practical layout, bright gathering spaces, and flexible rooms, the Mulberry is built to fit a variety of lifestyles while keeping comfort at the forefront. Let this home be the backdrop for your next chapter.
