This beautifully designed Walnut offers comfortable main-level living with thoughtful spaces throughout-perfect for everyday life and gatherings.

Step inside from the covered front porch and you're welcomed by a bright foyer that opens to a flexible front room-ideal for a home office, playroom, or quiet retreat. The heart of the home sits just beyond, where the kitchen, dinette, and great room flow together in one open, inviting space. A large kitchen island, walk-in pantry, and natural light make this area truly stand out.

On one side of the home, the primary bedroom creates a private getaway with a spacious bedroom, walk-in closet, and a nicely appointed bath. Nearby, you'll find the laundry room and a secondary foyer conveniently connecting to the garage.

Two additional bedrooms are located toward the front of the home, along with a full hall bath and a powder room-great for guests. Driveway & seeded yard included.
